Dear Garry,

RE: Court of Appeal for Saskatchewan Decision

The Provincial Council met today and received a report from John Spencer, PAg chair of the Discipline Committee (DC) regarding the Court of Appeal for Saskatchewan decision. John reported that the DC members have reviewed and accepted the September 8, 2016 report and decision from Justices Richards, Ottenbreit and Ryan-Froslic to accept your appeal.

Council was satisfied with the DC report and asked that I, as Registrar, let you know that the file will be closed and to confirm that you are a member-in-good-standing with the Saskatchewan Institute of Agrologists.

Kind regards,
Saskatchewan Institute of Agrologists
